IN RE: Application of Lake Moultrie Water)ORDER
 Company, Inc. for Approval of the)GRANTING
 Establishment of water rates and charges)WAIVER AND
 for water service provided to customers)ACCEPTING
 in Lake Moultrie Shores, Berkeley County,)APPLICATION
 South Carolina.

This matter comes before the South Carolina Public Service Commission (the Commission) by way of an application filed by Lake Moultrie Water Company, Inc. (the Company) wherein the Company requests that the Commission waive certain requirements of R.103.712.4 of the Commission's Rules and Regulations as contained in Volume 26 of the S.C. Code of Laws, 1976, and accept the Company's application. Specifically, the Company requests waiver of the filing of its performance bond at the present time.

The Commission, pursuant to R.103.803, of the Commission's Rules and Regulations finds that in the instant matter compliance with R.103-712.4 would result in unusual hardship and difficulty to the Company in that the material required by the Rule is not in existence or not available at this time. However, the Commission expects the performance bond to be filed prior to the Commission hearing in this matter.

Therefore, the matters contained in the Application, the Company's supporting data, and matter contained in the

Commission's files, would bring the Commission to the conclusion that certain requirements set forth in R.103.712.4 (B) specifically (10) should be waived, as such waiver is in the public interest.

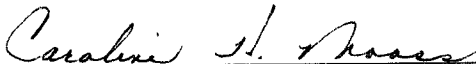

IT IS THEREFORE ORDERED:

1. That the request filed by Lake Moultrie Water Company, Inc. requesting a waiver of certain requirements set forth in R.103-712.4 (B) specifically (10), as contained in Volume 26 of the S.C. Code of Laws, 1976 be and hereby is, granted.

2. That the application of Lake Moultrie Water Company, Inc. be accepted for filing.

3. That the Company shall file the performance bond prior to the hearing scheduled in this matter.

4. That this Order remain in full force and effect until further Order of the Commission:
